Special Field Profiles

Plastimak ailesi olarak çeşitlilikte sınır tanımayan bir yapıya sahip olduğumuzu kanıtlayan bu içerik, size sınır çizgilerini yok etmiş olduğunu kanıtlayacaktır. İşte karşınızda özel alan profilleri. Bir profil birden fazla kullanım yerine hitap ederken bazen bir profil sadece kullanılacağı yere hitap eder. Kızak, akvaryum, havuz vb. Gibi özel bir alana sahip olan yerler için yapmış olduğumuz üretimler, özel alan profillerimizi oluşturmaktadır.

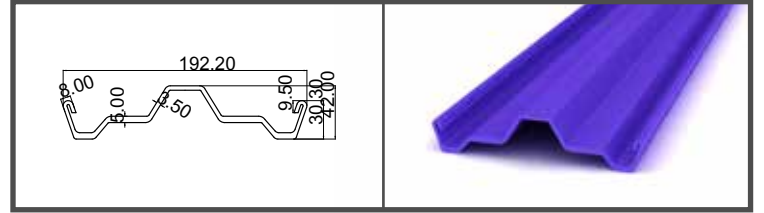

As Plastimak family, this content proving we have a structure without borders in variety will ensure you that we have destroyed the border lines. Here are the private area profiles. While a profile addresses to more than one use area, sometimes a profile only addresses to the area where it'll be used. The productions we've done for the places with private area such as sledge, aquarium, pool etc. constitute our private area profiles.
