

Etiket Profilleri Price Labelers

Etiket Profilleri Sticker Profiles

‘Fiyat etiketlerinin arkasında kalan emek’ olarak değerlendirdiğimiz etiket profillerimiz bizim için özel bir yere sahiptir. Etiketlerimizin şeffaflığında göstermiş olduğumuz özenle, sizlere daha okunaklı fiyat etiketliklerini sunarken; emeğimizi de şeffaflştırıyoruz.

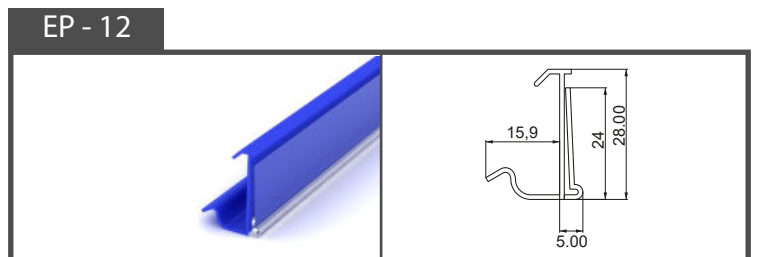

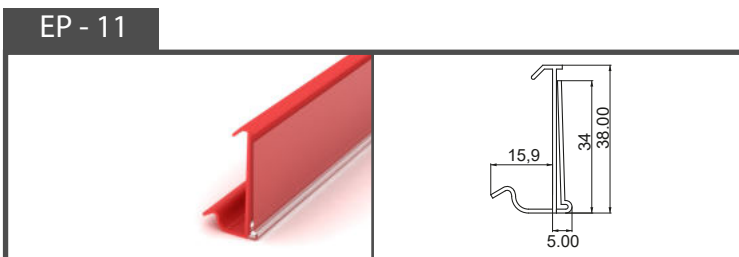

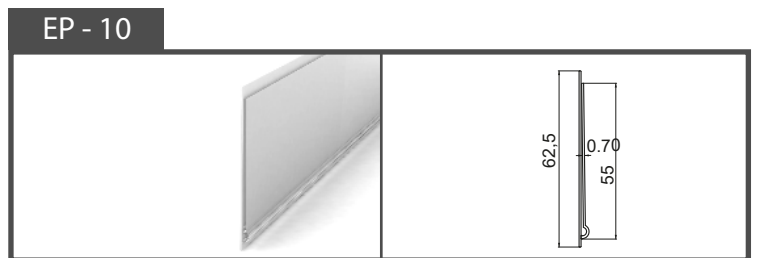

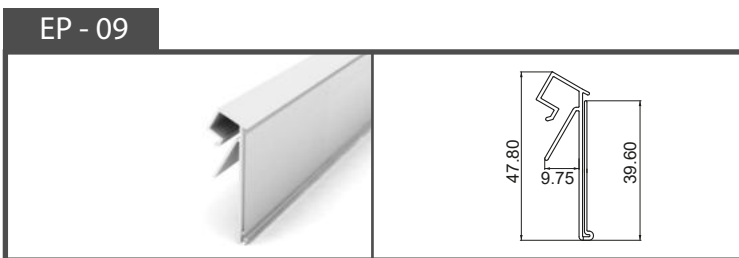

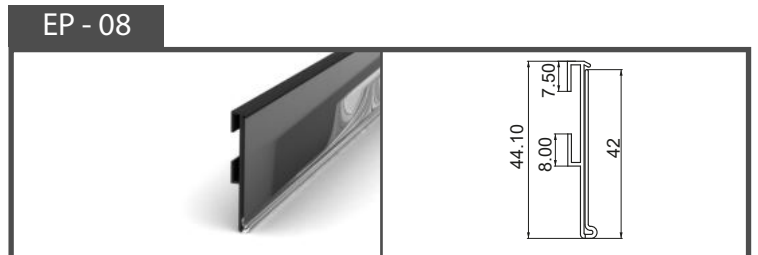

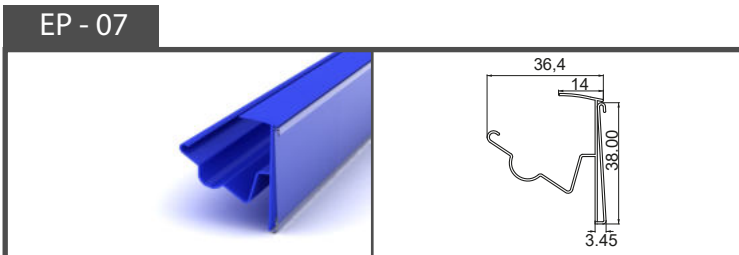

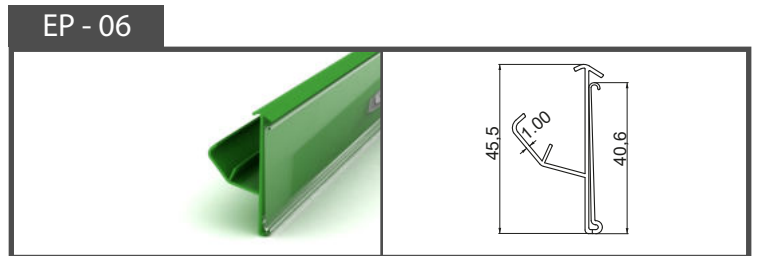

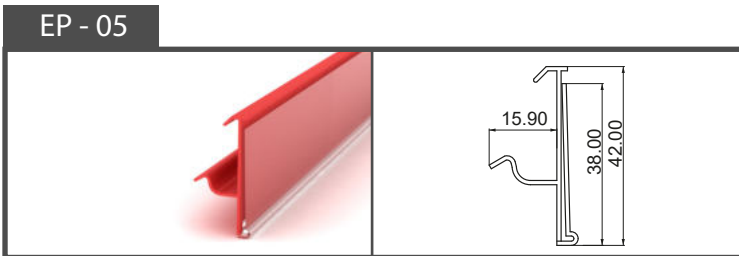

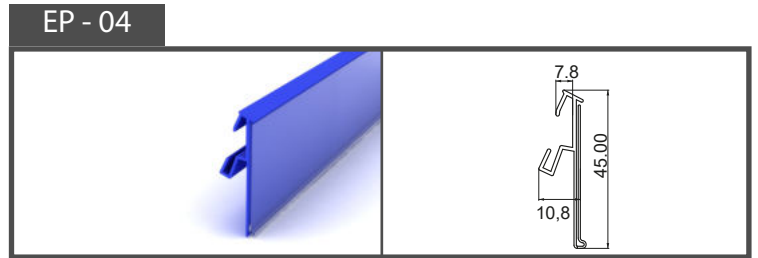

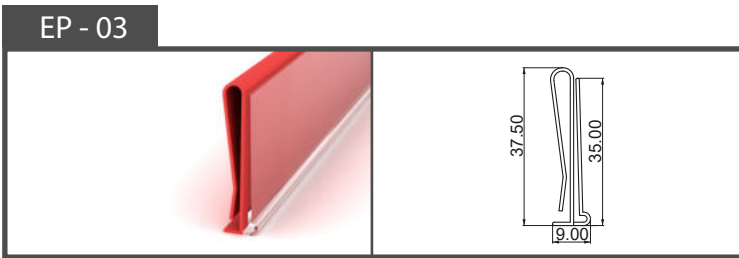

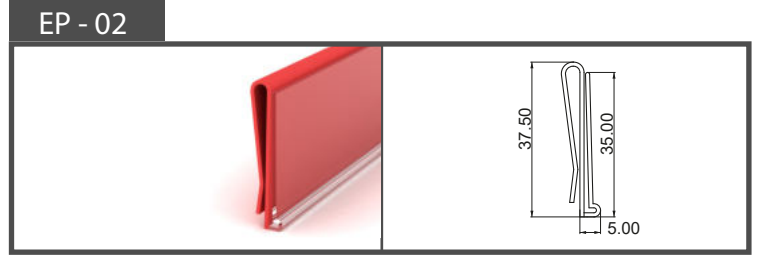

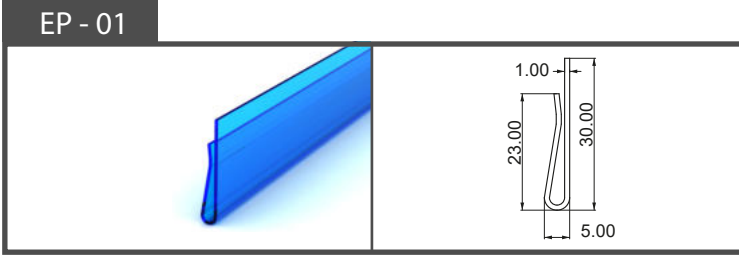

İlk bakıldığında görülmeyen bu çalışmanın arkasında tasarım, üretim, kontrol, hassasiyet, testler, deneyler saklı olduğunu biz biliyoruz. Bu çalışmalarımızın tamamı, ilk gören gözün bizim bu emeğimizi görmemesi içindir. Başarılarımız detaylarda gizlidir.

Our profiles for price tags, which we consider as “the efforts hidden behind price tags”, have a special place for our company. While offering more legible price tags to you with the special attention we pay to the transparency of our tags, we also make our efforts transparent.

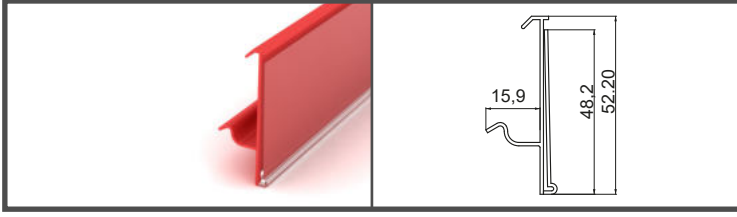

We know that there are design, production, control, precision, tests and experiments behind the performance that is not observed at first sight.

All our works are for that the first eye laid on our products does not observe our endeavours.

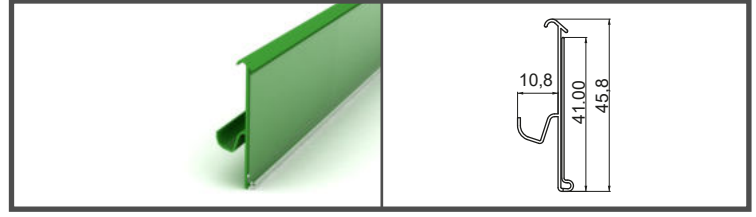

Our success is hidden in details.
